

2024 Rail, Freight and Ports Div. General Engineering Consulting Services
Q&A

Question - Given that interviews are anticipated and that proposals are due mid-November, and could occur near the Thanksgiving holiday, would WSDOT be willing to share planned interview dates so that interested parties can plan accordingly? Additionally, can you share if you plan to host these interviews in-person or virtually?

Answer: - Virtual interviews are tentatively scheduled for December 9th and 12th.

Question - • Would WSDOT prefer that the Conflict of Interest (COI) mitigation plans be included as a section of Packet B? Or as a separate document? Or elsewhere?

Answer: - Please include as a section of Packet B.

Question - Will you be posting the presentation and attendee list soon?

Answer – No, the presentation and attendee list will not be posted.

Question - To provide all proposers with necessary project background, will WSDOT make available the gap analysis conducted in Step 1 of the CID for the Amtrak Cascades route, and if available any scope document that has been drafted/completed for Step 2?

Answer – No, CID materials will be provided to the successful team upon selection and Notice to Proceed.
