

Montlake Project

Monthly Construction Update

December 11, 2024

How to participate in the webinar

All attendees are muted.
To adjust your audio settings during the meeting, click on **Audio Settings**.

Please use the **Q&A window** to ask questions or offer comments.

CHAT is disabled during the presentation. Please communicate with the team through the **Q&A window**.

Turn on **closed captions** if you want to view captions during the meeting. They are available in English only.

Agenda

- Current and remaining work
- How to stay informed
- Comments and questions

Major project elements

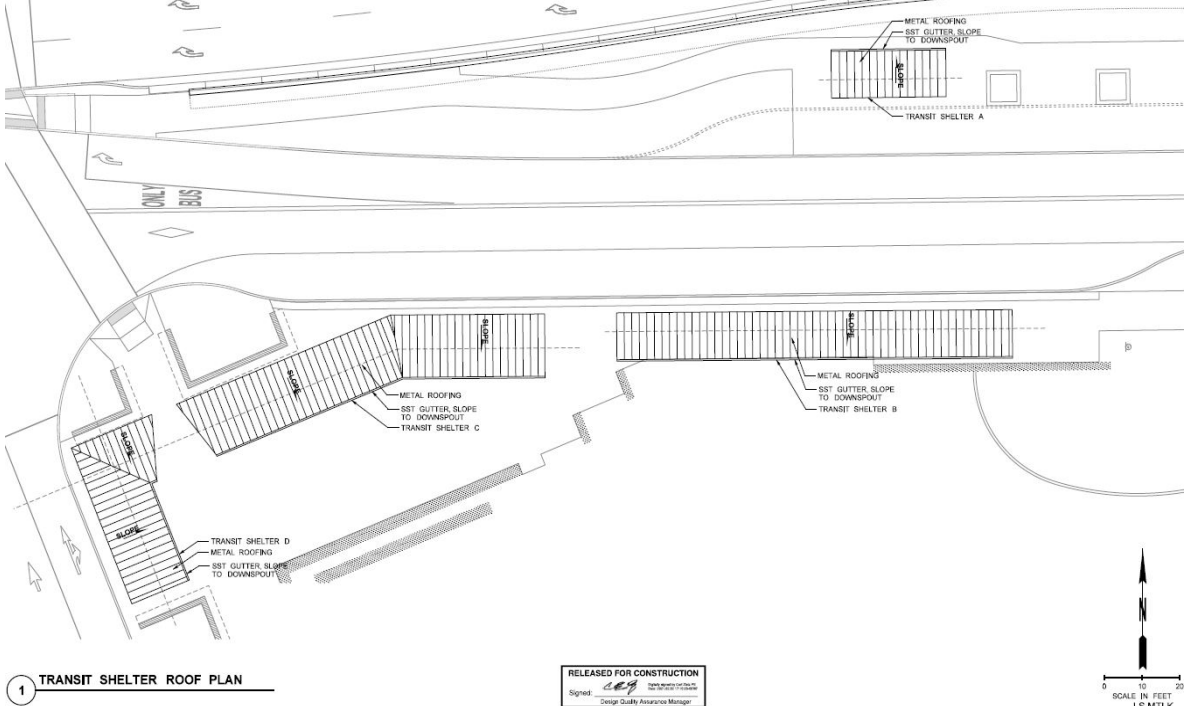

The Montlake Project will improve transportation for motorized and nonmotorized travel along the SR 520 corridor, including:

- A new eastbound bridge
- Montlake lid
 - HOV and bus lane
 - On- and off-ramps
- Bicycle and pedestrian bridge and connecting pathways

Lid Transit Canopies

Transit Area will be available for use as early as December 14. More information to come from King County Metro and WSDOT regarding services.

Transit Canopies (December 5)

Old Canal Reserve

Pathway and stairs connecting Bill Dawson trail to Montlake Boulevard is open to the public

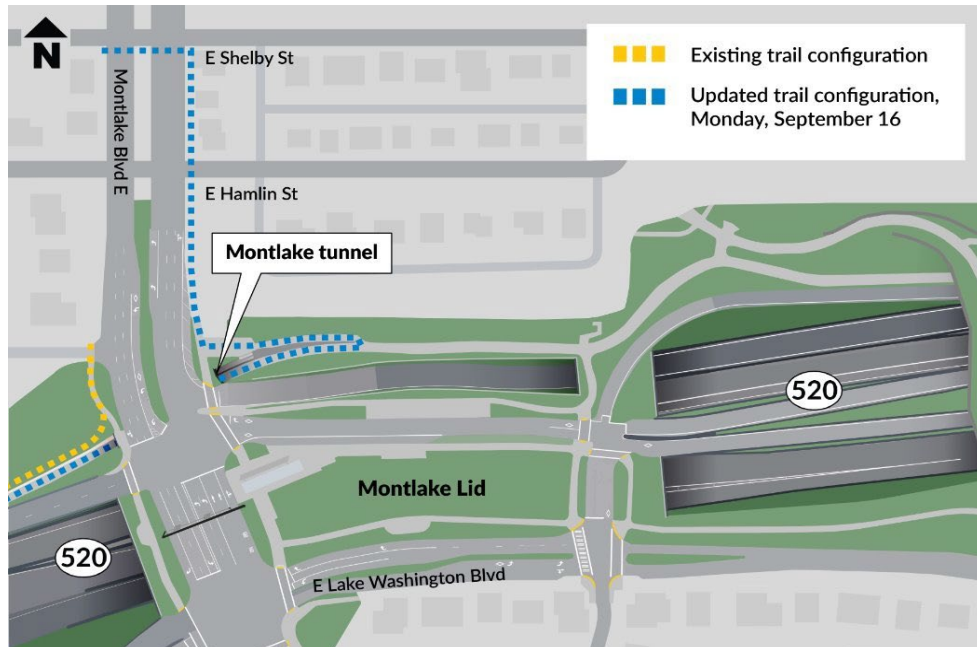

Old Canal Reserve Stairs (October 10)

Old Canal Reserve Ramp (September 17)

Pedestrian Tunnel

The Bill Dawson Trail is connected to the pathway on the east and west sides of Montlake Boulevard through the shared-use tunnel. The trail will extend to the Bicycle and Pedestrian Bridge.

West entrance to the tunnel under Montlake Boulevard (May 23)

Pedestrian Paths

Sidewalks and Trail construction are complete. Open to the public December 14.

Pedestrian Landbridge— south end (December 5)

Montlake lid – facing west (December 5)

Bicycle and Pedestrian Bridge

Completed landscaping for Bicycle and Pedestrian Bridge over SR 520. Open to the public December 14.

Bicycle and pedestrian bridge deck (Dec 5)

Bicycle and pedestrian bridge lookout (Nov 2)

New pathways: 520 trail extension

Come celebrate the opening of Montlake Project's new bike and pedestrian bridge across SR 520!

BIKE THE BRIDGE

(OR WALK/ROLL)

WHEN
11 a.m.
Saturday,
Dec. 14

LOCATION
Bike and pedestrian
bridge, east of the
Montlake Lid

WHAT
Inaugural ride/walk/roll,
music, activities and
refreshments

Landscaping

January-Completion of landscaping in MOHAI and Bill Dawson Trail.

Grass paver installation (November 1)

MOHAI (December 5, 2024)

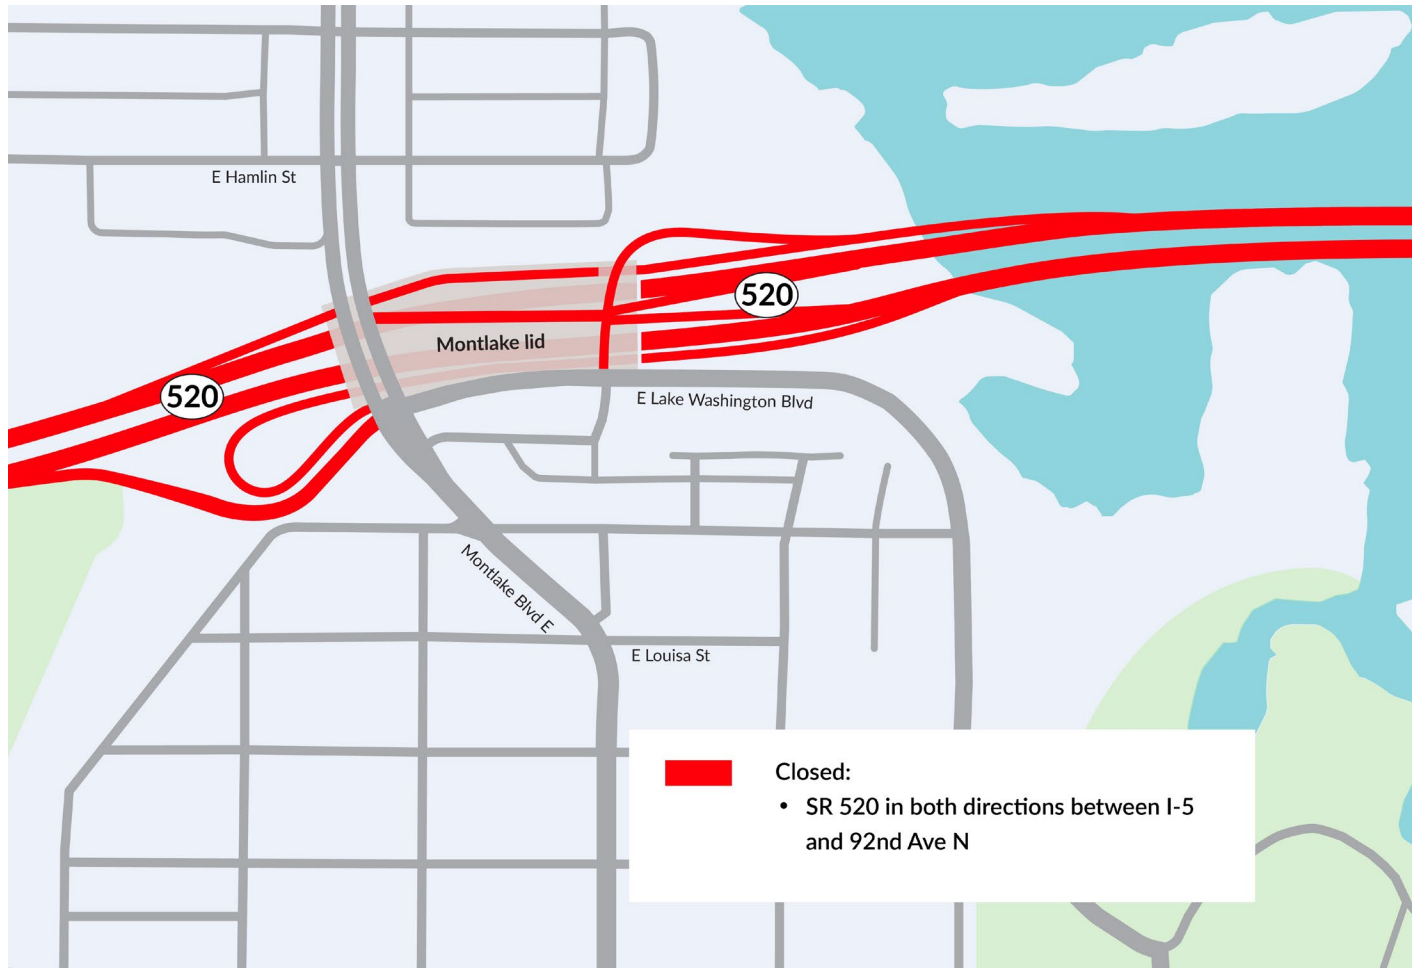

Montlake Market

December 20 –Paving on Montlake Market. Fencing to be in installed in January.

Montlake Market property (December 5, 2024)

Upcoming SR 520 closures

Partial Weekend

Dec. 14 (Saturday) 10 p.m. - 10 a.m.

Overnight (9 p.m. to 5 a.m.)

Dec. 15, 16, 17

What to expect: Noise and vibration

- Different types of equipment result in different levels and kinds of noise and vibration.
- Electronic noise and vibration meters record levels throughout the project area.
- Vibration monitors collect data in the field and immediately alert the project team when readings are outside the set tolerances.
- Nighttime construction has stricter rules for noise levels and equipment use.
- We've received a Major Public Project Construction Noise Variance (MPPCNV) permitting higher than normal decibel levels between the hours of 10 p.m. and 7 a.m.
- Crews may work 24 hours a day, seven days a week throughout construction.
- Typical work hours for the loudest work:
 - 7 a.m. to 10 p.m. weekdays
 - 9 a.m. to 10 p.m. weekends and holidays
 - Impact pile driving has stricter work hours and will occur:
 - 8 a.m. to 5 p.m. weekdays
 - 9 a.m. to 5 p.m. weekends
- Independent noise monitors will be present for night work to ensure compliance with specified noise levels.

Our 24-hour hotline, **206-775-8885**, is the best way to report noise and vibration concerns and to have questions addressed in the moment.

Visit the SR 520 Construction Corner to view the MPPCNV, read up on the allowable nighttime decibel levels, or read our weekly noise report:

Portage Bay Bridge & Roanoke Lid Project

How to stay informed

PORTAGE BAY CONSTRUCTION HOTLINE

206-319-4520

24-hour phone line for construction related questions. This is a new hotline for the Portage Bay Project.

CONSTRUCTION CORNER WEBSITE

One-stop shop for construction information during the Portage Bay and Roanoke Lid project.

sr520construction.com

EMAIL UPDATES

Receive regular email updates about upcoming construction work with our weekly newsletter.

MEETINGS

Attend our open houses and monthly construction meetings. Sign up for email updates to receive invitations to the meetings.

How to stay informed

- Call our 24-hour hotline: [206-775-8885](tel:206-775-8885)
- Email us with questions: sr520bridge@wsdot.wa.gov
- Visit the Montlake Project website: https://bit.ly/520montlake_program
- Visit the SR 520 Construction Corner to learn more about upcoming construction: www.sr520construction.com
- Follow us on Twitter: [@wsdot_520](https://twitter.com/wsdot_520)
- Sign up to receive our email updates at sr520bridge@wsdot.wa.gov
- Watch construction in “real time” on construction cameras: <http://bit.ly/520cams>
- Participate in our online meetings and events
