Toll Exempt Account Terms and Conditions for toll exemptions

A Toll Exemption Application must be completed, submitted to, and approved by WSDOT/Good To Go! prior to receiving toll exemptions for the vehicles.

- Toll exemptions are not automatic and must be approved by WSDOT/Good To Go! to travel toll free.
- Tolls that occurred prior to approval are the responsibility of the vehicle owner/agency and will not be dismissed or credited.
- Vehicles must be on a toll exempt account at the time of the toll transaction to receive the toll exemption for the trip(s).

Toll Exemption Applications will need to be resubmitted and approved by WSDOT/Good To Go! on a yearly basis to continue to receive toll exemptions.

- Vehicles may lose their toll exempt status and be removed from the toll exempt account if an application is not submitted upon request by WSDOT/Good To Go!.

WSDOT may deny any application if the organization does not utilize vehicles and passes within the parameters outlined in WACS and RCWs.

All eligible toll exempt vehicles submitted on the application must be officially registered to, or leased by, the organization and are subject to regular vehicle/pass audits:

- Any vehicle not officially registered to, or leased by, the organization may be subject to removal from the toll exempt account.
- WSDOT/Good To Go! may request a copy of the vehicle registration or lease for any vehicles listed on the toll exempt account.
- Vehicles and passes on a toll exempt account are subject to vehicle/pass audits. Vehicles and passes found to be non-compliant may be removed from the toll exempt account.
- Vehicles which are not currently on a toll exempt account and/or incurred tolls prior to receiving toll exemption approval by WSDOT/Good To Go! are not exempt and the organization will be responsible for paying those tolls.

A pass must be purchased and installed in each vehicle.

- Passes cannot be shared or moved between vehicles.
- If a vehicle is determined to be using a shared pass, the vehicle(s) are subject to being removed from the toll exempt account.

Any vehicle which is removed from the toll exempt account due to non-compliance may reapply for toll exemption once all toll exemption requirements have been met.

Once the vehicles have been approved for toll exemption, WSDOT/Good To Go! will open a Toll Exempt account at no charge.

The account will only be charged for the cost of passes (and WA state sales tax) purchased for the toll exempt vehicles. Account holders are responsible for maintaining and keeping their account up to date online at www.MyGoodToGo.com. The account holder agrees to maintain their toll exempt account by doing the following to avoid being charged for tolls:

1. Add new toll exempt vehicles and passes to the account immediately upon receipt of the vehicle.
2. Toll exempt account customers who have received a Pay By Mail toll bill as a result of not adding the vehicle to the account must pay any outstanding tolls prior to the vehicle being added to the toll exempt account.
3. Remove toll exempt vehicles and passes from the account immediately upon sale or destruction of the vehicle.
4. Purchase passes and install one in each vehicle according to the pass installation instructions.
5. Keep authorized contacts and all contact information on account current.
