

# 2025 DBE 101 Virtual Training Schedule for WSDOT & Local Agencies

Please join WSDOT'S Office of Equity and Civil Rights (OECR) as they host its annual DBE 101 Training.

Anyone whose internal work involves DBEs, this training is for you! Normally, training is held on one full day in each region, with all the topics below. This year, the training is entirely virtual, and topics are being presented separately.

Attending ALL trainings is highly encouraged, as these trainings are held to ensure that our stakeholders know of current processes and regulations surrounding WSDOT's Disadvantaged Business Enterprise (DBE) Program - We don't want you to miss out on anything!

Please contact your regional lead should you have any questions regarding the trainings or registration.

We look forward to seeing you!
